About MUI

```
                          This application uses

                       MUI - MagicUserInterface

                (c) Copyright 1993-2007 by Stefan Stuntz

MUI  is  a system to generate and maintain graphical user interfaces. With
the  aid  of  a  preferences  program,  the user of an application has the
ability to customize the installation according to personal taste.

MUI  is  distributed as shareware. To obtain a complete package containing
lots of examples and more information about registration please look for a
file  called  '''MUIXXusr.lha'''  (XX shows the latest version number) on your
local bulletin boards or on public domain disks.

           If you want to register directly, feel free to send

                          DM 30.-  or  US$ 20.-

                                   to

                              Stefan Stuntz
                        Eduard-Spranger-Straße 7
                              80935 München
                                 GERMANY

             Support and online registration is available at

                          http://www.sasg.com/
